ORDER

AND NOW, this 6th day of February, 2017, it is ORDERED that an initial status conference in the above-captioned actions will be held on Thursday, February 16, 2017 at 10:00 a.m. in Courtroom 4-A of the James A. Byrne United States Courthouse, 601 Market Street, Philadelphia, Pennsylvania. Topics to be addressed at the conference include: (1) whether consolidation of any or all of the above-captioned actions is warranted, and, if so, whether End-Payor Plaintiff actions should be consolidated separately from Direct Purchaser Plaintiff actions; (2) whether transfer to the judicial panel on multidistrict litigation has been sought or will be sought with respect to any or all of the above-captioned actions; (3) whether appointment of interim lead counsel is warranted; and (4) proposed schedules for each of the above-captioned actions, consolidated or otherwise, including for the filing of consolidated complaints, if any, and responsive pleadings. Parties may propose any additional agenda items which they believe may be helpful in a written communication to the Court on or before February 14, 2017.[1]

To minimize costs and facilitate a manageable conference, parties with similar interests may agree to have an attending attorney represent their interest at the conference. Any party appearing through a designated attorney instead of its attorney of record shall serve written notice of such arrangement to Chambers by no later than February 14, 2017. By designating an attorney to represent its interest at the conference, a party will not be precluded from other representation during the litigation, nor will attendance at the conference constitute waiver of any objections to jurisdiction, venue, or service.

Counsel in the above-captioned matters should take steps to inform any other counsel they are aware of who have entered an appearance in any case related to the above-captioned matters of the scheduled Initial Pretrial Conference. Counsel in any action related to the above-
